SOPHIE
Have you done much theatre?

SIENNA HAWTHORNE
A little. A long time ago.

SOPHIE
You're going to love this show. My mother took me to see this musical in New York when I was seven. You ever been to New York?

Sienna just shakes her head no as she is taking it all in.

SOPHIE (CONT'D)
You really need to go. We saw the original production with Sienna Hawthorne as Rosella. She was amazing! A real quadruple threat!

SIENNA HAWTHORNE
Quadruple?

SOPHIE
Yea, she sings, dances, acts and she wrote the show too!

SIENNA HAWTHORNE
Sounds exhausting.

SOPHIE
That night is basically why I decided I wanted to do this for real.

SIENNA HAWTHORNE
Really?

SOPHIE
Yeah. I walked out of that theatre and told my mom, "That's what I'm going to do."

SIENNA HAWTHORNE
And what did she say?

SOPHIE
She just said, "Okay." That was my mom. It never occurred to her that maybe I couldn't.

Sophie reaches into her audition bag.

SOPHIE (CONT'D)
This is going to make me look completely insane, but I still have the original play bill!

Sophie reaches into her purse and pulls out an original play bill and hands it to Sienna.

Sienna looks at her with surprise/fear/disbelief, like she has been found out.

Sophie looks at the playbill then at Sienna.

SIENNA HAWTHORNE
You carry this around?

SOPHIE
Yeah. Nerd, right? It's kind of my good luck charm. I used to keep it on my mirror at home, but after my mom died, I started carrying it in my audition bag. Kind of makes me feel like she's still with me.

SIENNA HAWTHORNE
I'm sorry.

SOPHIE
Thanks. She loved Sienna too. She was so disappointed when she stopped acting.

SIENNA HAWTHORNE
She quit?

SOPHIE
Yeah. Just vanished. No one really knows where she is. There's a Facebook group that tracks sightings.

SIENNA HAWTHORNE
Of course there is.

SOPHIE
Last month somebody said she was living on a goat farm in Austria.

SIENNA HAWTHORNE
Reliable source?

SOPHIE
A guy named Randy.

SIENNA HAWTHORNE
Well, then it must be true.

Sophie laughs. Then she looks from the playbill to Sienna, back to the playbill and back to Sienna.

SOPHIE
You know, you look a little like her.

SIENNA HAWTHORNE
Do I?

SOPHIE
A little, around the eyes.
